## THE BLACK NATIONAL ANTHEM

---

### LIFT EVERY VOICE & SING

JAMES WELDOM JOHNSON

---

Lift every voice and sing,  
'Til earth and heaven sing,  
Ring with harmonies of Liberty;  
Let our rejoicing rise  
High as the list'ning skies.  
Let it resound loud as the rolling sea.  
Sing a song full of the faith that the dark past has taught us,  
Sing a song full of the hope that the present has brought us;  
Facing the rising sun of our new day begun,  
Let us march on 'til victory is won.

---

## STAR SPANGLED BANNER

FRANCIS SCOTT KEY

---

Performed by the **South High Choir Community**

O say can you see by the dawn's early light  
What so proudly we hailed at the twilight's last gleaming  
Whose broad stripes and bright stars through the perilous fight  
O'er the ramparts we watched, were so gallantly streaming?  
And the rocket's red glare, the bombs bursting in air  
Gave proof through the night that our flag was still there  
O say does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?

# SENIOR RECOGNITION

## LAND ACKNOWLEDGEMENT

(Adapted from an acknowledgement by Nevada Littlewolf  
with SevenTeachingsMN.com)

As we gather today, we want to acknowledge the sacred lands on which we live, learn, and work. The land we call Minnesota includes the ancestral, traditional, and contemporary lands of eleven sovereign nations. Names matter, so here are the names of the eleven sovereign nations who reside in this land:

- **Bois Forte Band of Chippewas**
- **Fond du Lac Ojibwe**
- **Grand Portage Band of the Minnesota Chippewa Tribe**
- **Leech Lake Band of Ojibwe**
- **Lower Sioux Indian Community**
- **Mille Lacs Band of Ojibwe**
- **Prairie Island Indian Community (Dakota)**
- **Red Lake Band of Chippewa Indians**
- **Shakopee Mdewakanton Sioux**
- **Upper Sioux Indian Community**
- **White Earth Ojibwe**

Along with these 11 tribes, we also ask that we honor all the other Indigenous peoples of this territory, many from tribes which were never formally recognized by the federal government. We must acknowledge the long and dark history that has brought us to reside on this land. It is a history rife with greed, violence, trauma, and broken promises.

Acknowledgement, however, is not enough. We must actively commit and strive to make right in all our relations. The inequities that we aim to address today have their origins in stolen land and stolen bodies. We must address these inequities through developing authentic and sustained relationships with Indigenous communities, supporting Indigenous-led organizations, and standing in solidarity with Indigenous communities through championing community-informed action.

Special thank you to the South High  
parents, players, coaches, & staff  
who make this event a success!
